Dear Preschool Parents:

It is time to register for preschool. We welcome you to Hickory Child Development Center and look forward to a year full of exciting new challenges for your child. This is a first-come-first served registration. Due to the high demand of our preschool program, we will open up the month of January to our current clients. As of February 1, 2018 registration will be open registration to the public. Please include the \$75.00 registration fee (which is non-refundable), along with the completed form below to reserve a spot for your child. A \$75.00 supply fee will be due on June 1st (which is non-refundable).

Sincerely yours,

Tabitha Horn
