## THE IMPORTANCE OF SMALL GROUPS

Jesus had many followers and spoke to large groups of people but He spent most of His time with His disciples, a small group of twelve. The disciples spent a lot of time together. They learned together, served together, prayed together, ate together and just spent time hanging out. They got to know Jesus and each other intimately.

Joining a small group enables you to grow in your faith by connecting with others in the church on a deeper level. Look at the opportunities to find a group for you!
